CLUBS WORLD CUP 2023

Hajduszoboszló - Városi Sportház (HUN) 9.- 11.6.2023

General Schedule

Playing system

Main tournament – Saturday, June 10, 2023

Teams in the respective group (A and B) will play against each other in three (3) games for every team in this order: **single, double, triple**. For every set won, the team receives one point. Criteria for advancing to semifinals First two teams in both groups with most set points from both groups advance to the semifinals. If two (2) or more participants win the same number of set points, the following criteria are in force:

- a) More set points from the matches played between themselves
- b) Higher difference ball points from the matches between themselves
- c) Same criteria in the same order a), b) from all matches in the group
- d) Drawing lots if all the criteria are the same.

Final stage – Sunday, June 11, 2023

The third teams play for the 5th place, the fourth teams play for the 7th place.

These two matches (for 5th and 7th places) are played in the same way as in semifinals, i.e. S1-D1-T and possibly D2 and S2

Two semifinal matches (A1-B2, B1-A2), then the match for the 3rd place and the final match will be played. Each match consists of max. five (5) games for every team in this order: 1st single, 1st double, triple, 2nd double, 2nd single. For every game won, the team receives one point. The first team to win three (3) game points is the winner. 1 st single and 2 nd single must be different players, 1 st double and 2 nd double must be composed of different players.
